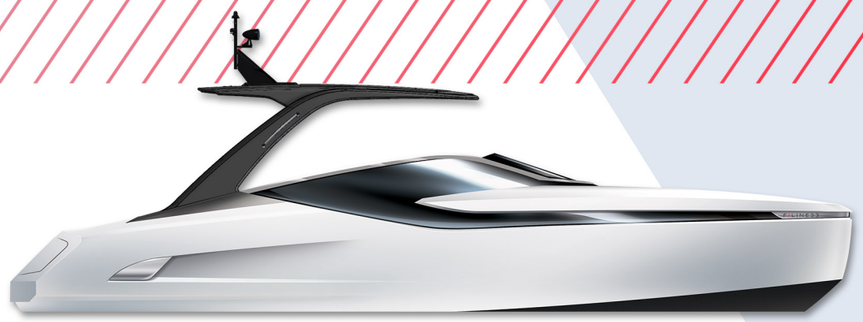
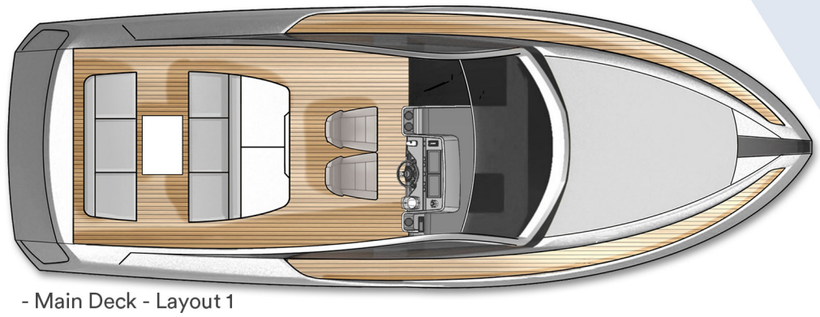
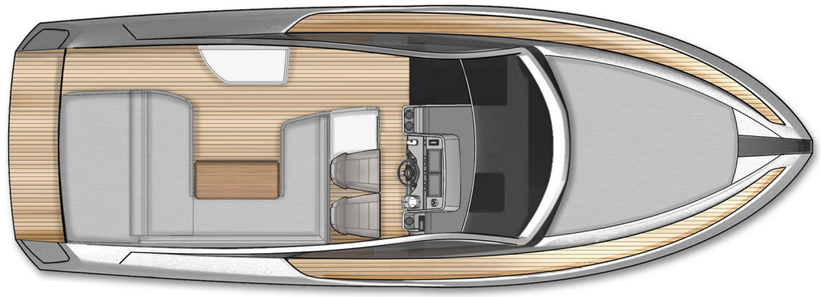
F//LINE 33 INBOARD



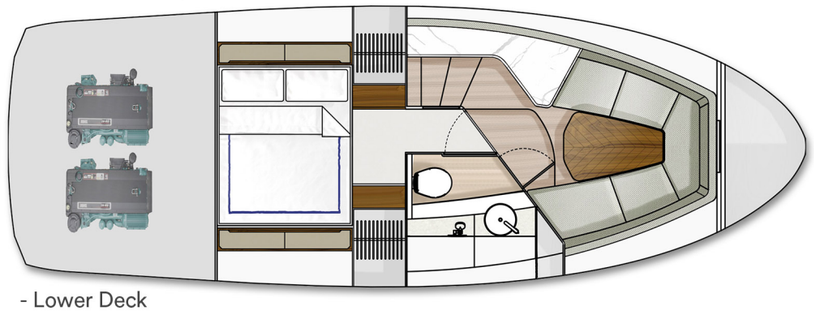
- HardTop (optional)



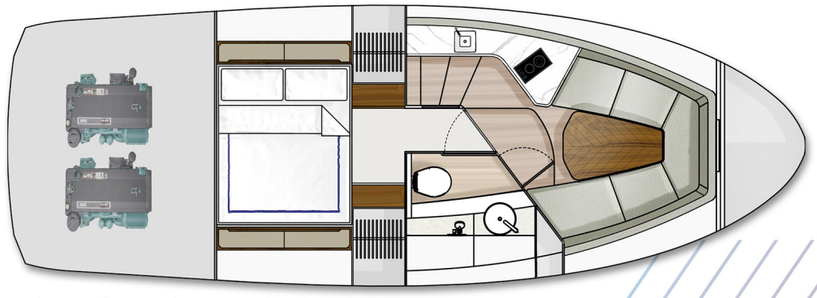
- Main Deck - Layout 1



- Main Deck - Layout 2



- Lower Deck



- Lower Deck with galley (optional)

Principal Dimensions

Length overall:	32’9” (9.99m)
Beam:	11’6” (3.5m)
Draft:	2’10” (0.87m) unloaded
Airdraft:	6’4” (1.95m) HardTop 11’9” (3.63m)
Berths:	2 - 4
Fuel capacity:	150 gallons / 180 US gallons (680 litres)
Displacement (light):	5.93 tonnes / 6.65 US tonnes (6,029kg)
Water capacity:	48 gallons / 58 US gallons (220 litres)
Black waste capacity:	27 gallons / 21 US gallons (80 litres)
Type approval:	CE Category C
Capacity:	8 people

Engines & Performance

2 x Volvo Penta V6-250	2 x Volvo Penta V8-430
Max. power: 500 hp	Max. power: 860 hp
Drive: Sterndrive	Drive: Sterndrive
Fuel: Petrol	Fuel: Petrol
Max. speed: 33 knots	Max. speed: 48 knots

F//LINE 33 INBOARD

Deck

- Anchor (stainless steel)
- Anchor light
- Anchor chain (galvanised 8mm x 30m)
- Anchor chain locker
- Anchor winch & controls (electric)
- Bilge pump switches with integral operating warning lights & audible alarms
- Chain stopper (10mm)
- Ensign/courtesy flag staff
- Fenders (x6)
- Fuel filler
- High capacity emergency manual bilge pump system
- Horn
- Hot & cold transom shower
- Mooring lines
- Moulded non-slip deck surface
- Navigation lights
- Stainless steel pop-up bow, spring & stern cleats
- Side deck access
- Stemhead roller (stainless steel)
- Toughened, single piece, curved glass windscreen
- Water filler
- Waste outlet

Helm Position

- 7” Garmin® display screen
- Analogue gauges for engine tachometers, engine temperatures & fuel tank levels
- Bucket seats (fixed height)
- Cup holders
- Electronic single-lever throttle & gear controls for port & starboard engines
- Full engine monitoring including; digital tachometers, oil pressure gauges, temperature gauges, audible alarms, engine hour meters, helm position indicator & compass
- Garmin VHF 315i marine radio
- High speed magnetic compass
- USB socket

Electrical Systems

- All 240V, 12V circuits (USA: 2x 110V [220V] 60Hz) with circuit protection
- Electrical sockets
- Heavy duty circuit breakers
- Isolating switches to all batteries

12 Volt

- Batteries x2 for domestic services
- Battery crossover system

240 Volt

- Polarity check & earth leakage protection system
- Regulated battery invertor/charger
- Shore power supply

Cockpit

- 2x 8” waterproof speakers
- Boat hook
- Controls for engine bay fire extinguisher system
- Engine compartment access hatch
- Exterior upholstery & helm covers
- Fusion® Apollo audio unit
- Life raft stowage
- Manual bilge pumps
- Moulded non-slip deck surface
- Step for side deck access
- Table GRP (fixed height) *
- Table teak (fixed height) **
- Under seat stowage
- USB socket
- Wet bar with sink & fridge *
- Wet bar with sink **

Cabin

- 2x half height hanging lockers
- 4x trinket lockers
- Bedding
- Carpet
- Double bed (European King)
- LED ceiling lights
- Opening porthole

Saloon

- Access to head
- Carpet
- Companionway timber steps
- Crockery & cutlery (6 person)
- First aid kit
- Fixed height table
- Electrical distribution panel
- Fire extinguisher (manual)
- LED ceiling lights
- Oak Satin
- Sink with tap & infill to sideboard
- Sliding companionway door to cockpit
- Smoke alarm
- Sofa
- Solid Surface® worktop to sideboard
- Stowage lockers under seating

* Layout 1 only

** Layout 2 only

F//LINE 33 INBOARD

Bathroom

- Automatic shower tray pump-out system
- Electric silent-flush freshwater toilet
- Extractor fan
- Full set of bathroom fittings
- Full standing-height shower with adjustable shower head
- Mirrored cabinet doors
- Skylight
- Solid Surface® worktop
- Towel set
- Vanity unit locker & basin

Hullform & Construction

- Antifouling protection to hull
- Deep 'V' hull design by J&J Design
- Design, layout & detailing by Alberto Mancini Yacht Design and the Fairline Yachts Design Studio
- Full length moulded spray deflectors
- Hand laid components
- Hull & deck colour – White
- Integrally moulded engine bearers
- Polyurethane foam cores throughout deck for strength & thermal insulation
- Resin infused hull, deck & internal liner
- Transverse & longitudinal strengthening stringers throughout hull

Engines & Sterngear

- Automatic engine bay fire extinguisher system
- Electric trim tabs
- Seacocks on all inlets/outlets below waterline

Fuel System

- Emergency fuel shut-off valves
- Twin fuel tanks – 680 litre capacity
- Water separators & fuel filters

Freshwater System

- Automatic, pressurised supply
- Calorifier hot water system – 60 litre capacity
- Water tank – 160 litre capacity

Black Waste

- Holding tank – 80 litre capacity

Commissioning

- Full pre-delivery inspection & vessel commissioning at the Fairline Commissioning Centre, Ipswich, UK

** Layout 2 only

Whilst every effort is made to keep all sales literature up to date, it should not be regarded as an infallible statement of current specifications & does not constitute an offer for the sale of any particular boat. We continually seek to improve the specification & design of our boats, so alterations & upgrades to specifications take place continually.
Appointed dealers are not agents of Fairline Yachts Ltd & are not authorised to commit Fairline Yachts Ltd by any express or implied undertaking or representation. Performance Figures: Power quoted in our literature for engines is crankshaft output. Performance Estimates: Performance estimates are given in good faith but are in no way guaranteed for any particular model.
Dirt on the bottom of the boat, damage to the propellers, engine tuning, external water & air temperatures & the weight of crew, fuel & water carried can all adversely affect performance. For those & other reasons we can give no performance guarantees
